

General Rules for Equipment

One day rental = 8 hours of operation, per hour meter

1. Follow all safety instructions and usage guidelines provided by the manufacturer and the rental agreement.
2. Only use the equipment for its intended purpose, within its rated capacity. *-Use the right tool for the job!*
3. Inspect the equipment before and after each use and report any damage or malfunctions immediately.
4. Keep the equipment clean and free of debris while in use. Stop operation immediately if the equipment is not performing as desired.
5. Do not make any modifications or alterations to the equipment.
6. Do not allow anyone who is not authorized by the rental agreement to use or operate the equipment.
7. Do not use the equipment under the influence of drugs or alcohol and keep all bystanders away from equipment.
8. Return equipment on time and in the same condition as when it was rented and according to the rental agreement.
9. Notify Corner Rental immediately if the equipment is lost or stolen, or unable to be returned on time. *-Additional fees may apply to late returns and machine-hour overages.*
10. Always wear appropriate personal protective equipment when using the equipment.

STAY SAFE! Do Good Works!
